

Flexi Cabs

Flexible, Innovative & Functional

At Bekkers, we are known for our product development and our desire to continually exceed the changing needs of the automotive industry. To support this ethos we have recently made a significant investment in our Cab conversions to ensure that we provide a robust, safe and efficiently designed vehicle.

Bekkers Flexi Cabs offer the patented Flexi Ramp system which offers the most innovative solution to your lowered floor requirement and sets new levels of comfort for your wheelchair passenger!

The Flexi Ramp itself is fully foldable and it allows more space inside your vehicle. The ramp can be unfolded when needed, to create ample space for a wheelchair user.

Flexi Cabs and the Flexi Ramp are now available on the following vehicles:

- Ford Connect
- Ford Connect Grand
- Citroen Berlingo
- Volkswagen Caddy
- Volkswagen Caddy Maxi

Ford Custom Hackney Cab

Safe, Spacious & Compact

The Bekkers Ford Custom Taxi is designed to be robust and safe so that it can easily deal with the challenges of everyday life. The taxi is wheelchair accessible with a side loading lightweight ramp for easy access and a wheelchair tie down system.

High Safety Standards

The Ford Custom has been awarded the "Best in Class" 5-star Euro NCAP rating which officially makes it one of the safest vehicles on the road today!

Exceptional Fuel Economy

The Bekkers Ford Custom Taxi is powered by the Ford 2.2 litre Duratorq TDCi engine which provides excellent fuel economy and low CO emissions.

Total Comfort

This Taxi is comfortable to drive thanks to its fully adjustable driver's seat with armrest, and a steering wheel that adjusts to suit your height and arm length which enables you to easily find your ideal driving position.

Flexible Options

Many additional vehicle features include:

- Cab central locking system
- Electric front windows and mirrors
- Factory rear heater and heated rear screen
- Six speed manual gearbox
- Fully wipe-downable interior

Turnout Seat

Bekkers supply many options for the taxi market including Meters, Taxi Signs, Livery and Access seats such as the Turn Out Swivel Seat.

The Turn Out Swivel Seat. offers a solution for people with limited mobility and in many cases can help with transferring from a wheelchair into a vehicle by swivelling the seat out over the sill of your car. The Turn Out is mounted in the original seat bolt holes of you car which means there is no damage caused to your vehicle and should you wish to sell the car, the original seat can simply be replaced.
