The legendary FlexiRamp™ with further enhanced functionality for simple and effortless operation

ZeroEffort

The new patented UpLifter™ functionality, in combination with a fully balanced ramp in all positions, delivers uncompromised handling and comfort as well as setting new standards for wheelchair accessible vehicles. Truly a ZeroEffort™ system.

We care about your comfort and safety.

Throughout the new vehicle design process, we always look at how to increase levels of comfort and safety. The new Caddy Flexiramp™ comes with many new features and improvements, which we're confident you will appreciate in your daily usage of the vehicle.

The unique patented rear impact protection system significantly increases the safety of the vehicle occupants.

Optional

Optional alternative style of rear restraint
